

QUESTIONS AND ANSWERS:

Q1. Would soft biometrics based video imaging systems system for detecting and tracking people illegally crossing the borders or entering the ports meets the needs of this solicitation?

A1. “Soft biometrics based video imaging systems system for detecting and tracking people illegally crossing the borders or entering the ports” does not address any of the solicitation topics in this SBIR solicitation. Consequently, such a proposal would be considered an unsolicited proposal and will not be accepted under the SBIR program (see Section 5.12e of the DHS FY08.1 SBIR solicitation).

Q.2. Regarding topic # 81.1-002, can we submit a proposal on Miniaturized chemical and explosive sensor but without BW agent detection capability?

A.2. Yes.

Q.3. Will a Fast Track proposal be allowed?

A.3. Yes. Please refer to Section 3.10 SBIR Phase II Direct Match (formerly Fast Track) on page 17 in the DHS SBIR FY08.1 solicitation.
